 - o No annual fees or pre-payment penalties

Please note:

Los Robles General and Cosmetic Dental Center requires payment prior to the completion of your treatment. If you choose to discontinue care before treatment is complete, you will receive a refund less the cost of care received.

For plans requiring more than 2 appointments, alternative payment arrangements may be provided.

For patients with dental insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.²

We will make every reasonable effort to collect covered amounts from your dental insurance company. Deductibles, co-payments and non-covered amounts are due at the time services are rendered. All estimates quoted are based upon information provided to us by your insurance company and are estimates only. They are not a guarantee of payment. The patient is ultimately responsible for all charges incurred.

Los Robles General and Cosmetic Dental Center charges \$25 for returned checks.

If you have any questions, please do not hesitate to ask. We are here to help you get the dentistry you want or need.
